

April 2019

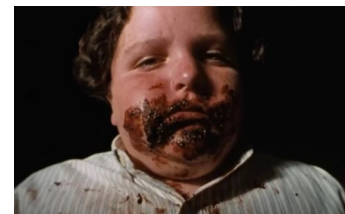

BULLETIN

-time lapse imaging trial-

Dear TILT Team,

Happy Easter everybody! This year for Lent I decided to give up chocolate, crisps, and the political freedom to live and work in 27 European countries. If some reports are to be believed, potential risks to supply chains may mean this is our last EVER Easter with an abundant supply of chocolate, so make it count guys...

STUDY UPDATES

- Princess Anne Hospital** in Southampton recruited their first participant in February and have been recruiting really well since then. It's great to have you onboard and we wish you luck for the rest of the study!
- Derriford Hospital** in Plymouth had their SIV on 1st April 2019 and were given the 'Green Light' to begin recruitment on the 2nd. Hard work from all the team there was essential for such a quick turnaround, congratulations to all!
- Hammersmith Hospital** and **St Barts Hospital** were given the 'Green Light' to begin recruitment on 3rd April and 11th April respectively, taking us up to 6 recruiting UK sites! We eagerly await their first recruits.
- Chinese University of Hong Kong** are also now open to recruitment as of Monday 15th April
- On 21st March, HOM/0244 became the 200th randomised participant and the 300th participant to be recruited was PAH/0016 on 12th April!

Recruiting centre	Total	Apr 19	Mar 19	Feb 19	Jan 19	Dec 18	Nov 18
Homerton University Hospital	272	19	41	37	28	9	30
Bath fertility Centre	17	3	7	5	2	0	0
Princess Anne Hospital	18	6	10	2			
Derriford Hospital	0	0					
Hammersmith Hospital	0	0					
St Barts Hospital	0	0					
	307	28	58	44	30	9	30

Co-Investigators Group (CIG)

The first TILT CIG meeting will take place on Thursday 4th July. This meeting will provide a great opportunity for the central team and representatives from each of the recruiting sites to share their experiences of the trial. We're really looking forward to welcoming the PIs and their site representatives to Barts Research Centre for Women's Health.

Thank you all for your continued hard work. Please feel free to contact me with any suggestions of content for inclusion in the next instalment!
